At the next service date after an interruption of service, the customer may set out up to twice the number of containers as would be permitted in the normal weekly service.

C. The Franchisee shall be obligated to accept refuse only at locations on the roads accepted into the District road system, unless private agreement is made with the customer. The customer shall provide a pick-up area for Franchisee that will be safe given traffic conditions. Franchisee will not be required to service any container which is placed in an unsafe location.
